

Job Opportunity: Assistant/Associate Professor in Anatomic Pathology

Location: Oklahoma State University, Stillwater, Oklahoma, USA

About Us: Join a vibrant team of passionate pathologists dedicated to excellence in diagnostic service, education, and scholarly activity at Oklahoma State University. We are seeking an Anatomic Pathologist at the rank of Assistant or Associate Professor – in a career or tenure track - to join our team at the Oklahoma Animal Disease Diagnostic Laboratory (<https://oaddl.okstate.edu/>) and Department of Veterinary Pathobiology within the College of Veterinary Medicine. OADDL is Level 1 member laboratory of the National Animal Health Laboratory Network. It is an AAVLD-accredited laboratory with both BSL-2 and BSL-3 capabilities.

Position Overview: This position provides an opportunity to combine pathology expertise and a passion for educating the next generation of pathologists and veterinarians. Candidates should demonstrate a desire to make a positive impact on the community through service and education while working alongside four collegial pathologists equally enthusiastic about their careers, and four pathology residents. Primary responsibilities include diagnostic service provision, instruction to Year 4 veterinary students during necropsy service, and resident training. The necropsy service receives a wide variety of production animals, companion animals, horses, and exotic animals, which provide excellent material for training of residents and instruction of veterinary students.

Opportunities:

- Collaborative research in infectious disease, microbial pathogenesis, microbiome studies, immunology, toxicology, and cancer therapy.
- Flexible assignment percentages tailored to your interests and qualifications.
- Professional development funding and research start-up package available.
- Up to 4 weeks of consultation work.

Requirements:

- DVM, VMD, MVSc, BVSc or equivalent veterinary degree
- ACVP or ECVP certification or eligibility. ACVP or ECVP certification-eligible candidates are strongly encouraged to apply.

Benefits:

- Competitive salary and excellent benefits package.
- Childcare opportunities on campus.
- Tuition waivers for dependent children of faculty.
- Public service student loan forgiveness eligibility.
- Free membership to the University's Wellness Facilities.
- Access to numerous cultural and sporting events.
- Onsite counseling and mental health resources.

About OSU and Stillwater: Nestled between Oklahoma City and Tulsa, Stillwater offers the perfect blend of small-town charm and urban amenities. Oklahoma State University comprises about half of the city's population of about 50,000. Stillwater has been described as "America's Friendliest College Town" and has been listed as one of Money Magazine's best places to live. Stillwater's regional airport has direct flights to/from Dallas-Fort Worth (DFW). Stillwater boasts outstanding public schools and a rich tapestry of cultural, sporting, entertainment, and recreational activities. With an easy 1-hour commute to either city, Stillwater provides an excellent quality of life for individuals and families alike. <https://www.visitstillwater.org/>

Apply Now: If you're ready to advance your career in pathology while making a difference in education and research, we want to hear from you. Join us in shaping the future of veterinary medicine at Oklahoma State University.
